Solution Management: The Heart of Power Development

KATERINA CHERNEVSKAYA

SWIPE >

TERM OF THE DAY: **SOLUTION**

A container that groups related components to facilitate their management, transfer, and deployment across different environments.

TERM OF THE DAY: **SOLUTION**

Solutions in Power Platform are like special folders where you can keep and organize all the different parts of your project – apps, flows, etc. This way, it's much easier to handle and set up your project step by step.

TERM OF THE DAY: **SOLUTION**

Examples

Grouping related apps and flows in a solution to facilitate a streamlined deployment

Effortless collaboration through parallel work on separate components without overlap

KATERINA CHERNEVSKAYA

SWIPE >

TERM OF THE DAY: **SOLUTION**

Solutions can be as adaptable as a multitool, carrying a range of components to meet your deployment needs!

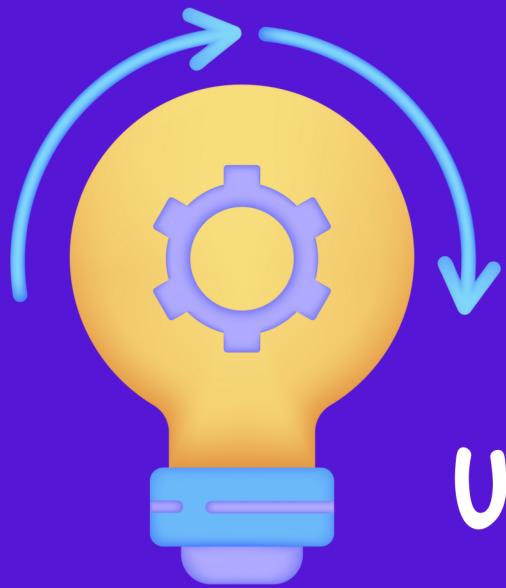

KATERINA CHERNEVSKAYA

SWIPE >

TERM OF THE DAY: **SOLUTION**

Utilize solutions to efficiently manage and transport your components in the Power Platform landscape.
